

Adding and Managing Archers for a School on nasptournaments.org

Archers can be added to a school on nasptournaments.org for management and tournament registration. This tutorial demonstrates the process of adding and managing archers for a school.

The screenshot shows the homepage of nasptournaments.org. The navigation menu includes Home, Tournaments, Archer, School, List/Run A Tournament, Help, and Sign In. A red arrow points to the 'School Manager' button located under the 'Archer' menu item. Below the navigation is a banner for 'Archery Tournaments - Virtual & On-Site' featuring a photo of the 2013 Nationals in Louisville, KY. To the right of the banner is a 'Changes Are Happening!' notice. Below the banner are three main action buttons: 'Browse Tournaments' (yellow), 'Get Notified' (green), and 'List a Tournament' (red). At the bottom, there is a section for the 'NASP St. Jude E-Championship Charity Tournament Series' with logos for NASP, St. Jude Children's Research Hospital, and the St. Jude E-Championship.

The screenshot shows the 'NASP LOGIN' page. It features a login form with fields for 'Username' and 'Password', a 'Login' button, and links for 'Forgot Username' and 'Forgot Password'. Below the login form is a section for users who do not have an account, with a 'Get a Username' button.
